CONTRACTORS MAINTAIN WORK HERE IS LOW AS POSSIBLE

Statement That Property Owners Are Forced to Pay Exorbitant Prices For Paving and Sidewalk Work Branded as Untrue by Those Who Are Engaged in Public Street Work—Materials and Wage Schedule in This City Higher Than at Places Named by Mayor Ludewig

The statement at the meeting of the city council last Monday evening by Mayor Ludewig and other members of the city council that other towns and cities in the state were getting street work done at a cheaper price than Richmond has caused several local contractors to make an investigation with the result that at the next meeting of the council on Monday evening a schedule of prices from many cities in the bay section of the state, and outside points will be submitted to the board showing

that the reason Richmond pays a little higher prices for its street paving and cement sidewalk work is because the wage schedule here is higher than at places enjoying the cheaper street work. And then the contractors maintain that the price of material is higher in Richmond than at places mentioned at the meeting of the city council last Monday evening.

One of the most prominent contractors, in conversation with a Record-Herald reporter last evening, stated that at Corte Madera gravel was obtained at a pit free of charge whereas in Richmond crushed rock cost about \$1 per ton and had to be handled off the cars by teams. At this place street work is being done at a less price. The scale of wages paid at Corte Madera was \$4 per day for cement workers against \$6 in Richmond. Laborers get \$2 per day at this point and are paid \$2.50 here. So in figuring on street work in this city the contractors have to put up the price a little in order to make something out of the work.

LITTLE FRIENDS HONOR BIRTHDAY OF PLAYMATE

A number of the little friends of Miss Florence Linnell gathered at her home, 341 Eleventh street, last evening to tender her a surprise party in honor of her fifth birthday. The decorations consisted of pink and white, the color effect being also carried in the table decorations. Those present at the party were Miss Beth Woodford, Miss Bell Woodford, Miss Carolyn Cole, Miss Lillian Mills, Miss Geradine Rock, Miss Maude Muller, Miss Bell Smith, Master Whittlessey, and Madeline Whittlessey.

COAL MINE DISCOVERED IN COUNTY

MARTINEZ, March 11.—E. W. Johnstone of Walnut Creek on Tuesday filed notice of the location of a vein of coal, discovered near Glorieta in T. 1 S. R. 3 W. on February 18th. Johnstone's claim extends a length of 7500 feet and 600 feet on either side of the monument.

Miss Squires and H. Foxworth are among the new arrivals at the Hotel Richmond.

—In one of the reasons why these banks are what they are today. The desire and ability to help our depositors and every "little brother" of ours who deserves assistance has helped us to succeed while it has helped many of our smaller brothers to do the same.

White House Proves To Be Police Jinx

"If the notorious White House, located in the West Richmond tract, has again reopened and is running full blast at the present time it is certainly news to me. Of course I cannot station a man on the front doorstep of the place to see what is going on but if some of these know-it-alls will furnish me with definite information, I will do all in my power to put an immediate stop to the running of the house."

Such was the statement made today by Chief of Police Arnold in reply to an article published in a morning paper which told of the house again being in operation and that a list of names of everyone who had frequented the place since its recent raid by the local authorities.

Alleged Dynamiters To Plead Thursday

MARTINEZ, March 11.—The trio of accused dynamiters, Thomas Mooney, Joe Brown and H. G. Hanlon are to be arraigned before Judge R. H. Latimer in the Superior Court next Thursday afternoon at 1:30 o'clock at which time the three men will enter their pleas and have their case set for trial.

Whether the three whose cases are synonymous will be tried together or separately is not known but as all three are held on the same charge, and the evidences against each of the three is identical it is likely that the prosecution will urge the trying of the three men at one time.

IMMIGRATION TALK INTERESTS AUDIENCE LAST EVENING

A small, but enthusiastic audience greeted Dr. Charles H. Parker, executive secretary of the State Immigration commission, last evening in the Lincoln school auditorium, on Tenth street. The lecture was held under the auspices of the Richmond Discussion Center.

The lecturer explained in his talk that statistics for 1913 that of the 10,000 serious accidents, 3,440 were sustained by aliens who were liable to sustain the subsequent expense and loss of time incident to being laid up in hospitals.

The dependency among aliens is much more complete and disastrous than among the better class of Americans continued the speaker. "A second danger to the alien is that of

exploitation, especially during the Panama Pacific Exposition. The Immigration Commission is taking steps to protect the immigrant women from procurers and all immigrants from the petty exploiters who prey on them. Only recently we secured the conviction of two fake lawyers who were operating among aliens in San Francisco."

These are only part of the problems which are brought to the attention of the commission at its office, 528 Market street in San Francisco. Dr. Parker was the special investigator hired by the government to report on the Westland hop riot and the conditions which led up to it. His report was a great shock to Mr. Durst, owner of the hop yard.

\$290,000 WORTH OF IMPROVEMENT BONDS SIGNED

Mayor Ludewig and City Clerk Farls were kept on the jump from an early hour this morning until late this evening signing the 290 Municipal Improvement bonds for the proposed Inner Harbor and Tunnel work, which are valued at \$1000 each or \$290,000 for the entire lot. Several times during the course of the signing of the bonds both Mayor Ludewig and City Clerk Farls were afflicted with a writer's cramp but this was easily overlooked in an endeavor to get the bonds signed.

CHEAP JEWELRY DISPENSERS GET 10 DAYS IN JAIL

George McGee and James Ryan, the two men arrested yesterday afternoon by Sergeant Ruiz and Officer Barry for dispensing cheap jewelry without a license, appeared before Police Judge Lindsay today and pleaded guilty to the charge placed against them and were sentenced to 10 days apiece in the county jail.

The two men were given a good lecture by his honor and told to keep clear of Richmond in the future.

BABY GIRL LEFT AT SWANSON HOME

A. T. Swanson, residing at 2110 Macdonald avenue, is badly engaged in handing out the Havana cigars over the arrival at his home last evening of a bonching eleven-and-one-quarter-pound baby girl.

Dr. H. L. Carpenter, attending physician, reports both mother and child to be getting along nicely.

CHANGES IT THE PHILPOTT STORE

The Philpott Dry Goods-store has been making some changes in the rear of its store to accommodate their fast increasing millinery business. A large balcony has been built that provides full half again more room than was previously available for this department.

A new window is being placed to give extra light to the balcony department and this section of the store will be made one of its prettiest and most convenient features.

Fellows will go to Oakland in a body to receive the Oriental degree from Oakland Lodge.

Quite a lengthy program has been arranged for the evening which will make the gathering one of the big ones held for many months.

UNEMPLOYED ARMY TO BE RETURNED TO CONTRA COSTA

Sacramento and Yolo County Authorities Decide to Send General Kelley and His Army Back to This County Over the Oakland and Antioch Electric Road—Will Be Dumped Off at Bay Point—Sheriff Veale on the Qui Vive—District Attorney and Officials in Conference

(Special to Record-Herald)
MARTINEZ, March 11.—Information was received by Sheriff R. B. Veale this afternoon from Sacramento to the effect that the army of unemployed would be shipped out of Sacramento on the Oakland & Antioch road today. The army will begin to arrive at Bay Point in bunches by this evening. Sheriff Veale is ever in a large number of deputies and is going to make an effort to stop the unemployed at the line separating Solano and Contra Costa counties.

District Attorney McKennie states he will prosecute all persons concerned in sending the army of unemployed into this county and will probably petition the superior court for a writ of injunction to prevent the railroad company from dumping the army into Bay Point, the objective point of the unemployed.

SACRAMENTO, March 11.—At a

secret midnight star chamber session of the officials of Yolo and Sacramento counties, Harry Thorp, representing the citizens committee, and A. D. Schindler, general manager of the Northern Electric, it was practically decided to send the army of the unemployed to Bay Point, Contra Costa county, over the route of the Oakland and Antioch. Such was the fact which was gathered out of the maze of secrecy.

OAKS LINEUP TO BE ANNOUNCED FOR SUNDAY

Any afternoon this week should you be passing through Oakland you will be able to hear the hoarse bark of the official crier of the Pacific Coast Baseball League announcing the coming game for Sunday afternoon when the Richmond team will endeavor to put the chains on the Oaks who have been skidding merrily along during their past few games.

The members of the local team are out upon the First street ground during the cool of each evening chasing and knocking the horseshoe to all parts of the field.

Arrangements are being made with the Oakland Traction company by the management of both teams in an endeavor to secure several special cars to carry the local fans to the game.

In order to enlighten some of the fans who have kept in immediate touch with the actions of the Richmond nine since its first appearance on the diamond the first of the year, Manager "Dick" Greathouse will play Cliff Cleek the phenomenal little catcher on the receiving end, Burns on the mound, and McGinnick in the field.

SEQUOIA CLUB TO HOLD LUNCHEON

The big get-together luncheon to be held by the members of the Sequoia club in their club rooms on Friday afternoon promises to be a big affair.

Some of those who will speak at the luncheon are D. J. Hall, Judge C. A. Heagman, C. J. Cray, W. F. Freudenberg, W. T. Helms, F. J. Hulanicki.

TEACHERS WILL HOLD MEETING

The teachers of the high schools of California at their recent session held in one of the halls at the University of California decided to hold their annual meeting and institute week in Berkeley beginning on Monday, June 29th.

The Richmond high school will be well represented at the institute owing to the fact that several new positions have been created which now gives the local school staff twelve teachers.

PIONEER OF RICHMOND IS CALLED BEYOND

H. Wanske, pioneer saloon man and property owner of Richmond, passed away at his residence on Barrett avenue, yesterday afternoon shortly after 4 o'clock.

Mr. Wanske, a few days ago, contracted typhoid pneumonia and the malady obtained such a grip on the sufferer that the attending physicians held out but little hope of his ultimate recovery.

Wanske came to Richmond fourteen years ago and established one of the first saloons on the original Point Richmond township at the corner of Barrett avenue and A street. Subsequently he moved to his present location at Fifth street and Barrett avenue.

Deceased was 53 years of age at the time of his death. He was a native of Germany. He is survived by a widow, Augusta, and a daughter, Annie, both residents of this city.

The funeral will be held Friday afternoon at 2 o'clock from the home at Fifth street and Barrett avenue. Services will be conducted by Rev. Schlotman at the home and by Rev. Theiss of Oakland at Mountain View cemetery, where the interment will take place.

LINCOLN NINE IS VICTOR IN GAME

The baseball teams of the Lincoln and San Pablo grammar schools met for their first diamond battle of the year at the Peru school grounds yesterday afternoon when the Lincoln school nine managed to hang up a 3 to 2 score over their opponents. The lineup for the Lincoln school nine was: Virgil Charley, catcher; Elmer Clew, pitcher; Clifford Tucker, first base; James O'Rourke, second base; Arthur Duncan, third base; Charley Parker, short stop; Enol O'Hara, left field; Jessie Center, center field; Ray Hanson, right field.

"To Observations Which Ourselves We Make, We Grow More Partial, for the Observer's Sake."

"PROGRESSIVES" ARE NOT PROGRESSIVE

California is blessed, or otherwise, as the case may be, in having a state government the members of which are all of good standing with the so-called and alleged "Progressive" party, but they lack a whole lot of living up to that name. We do not hold it up against them for belonging to the "Progressive" party, and no apologies are necessary on their part, for this is a free country, and "everybody to their taste," as the old woman said when she kissed the cow. We are even liberal enough to give that party and its California members credit for doing quite a number of real good things, along with a lot of very silly things, but that they are "progressive" we are going to deny. The word progressive, means to progress, to go ahead, to initiate and to do things that ought to be done, or words to that effect, and if Governor Johnson and his state officials and following were progressive they would take hold and handle the "Unemployed Army" problem that is confronting this state and has been up for solution all winter, without the state government making a single move of any kind to solve it or attempt to solve it, or on any way aid the several communities in solving it, even partially. This, in our humble judgment, is progressing backward like a crab crawls, ambles or tangles.

This Army of the Unemployed problem is a vital one, not only in California but all over the country, and it has got to be solved. Calling these men bums and tramps and shunting them around from one community to another is not solving the problem or making any progress whatever toward solving it. That sort of thing is like child's play, as far as accomplishing anything is concerned. It is a hardship upon the communities upon which the men are dumped, and also an insult, and it is making no headway either with or for the men involved. Part of these men are worthy and would work if they had a chance, but have been unfortunate. Part of them are worthless vagabonds who hate work like the devil hates holy water, but be that as it may, the fact remains that we have this Army of Unemployed, and nearly every other big city in the United States has another, and until economic conditions can be changed to entirely or partially eliminate this sort of thing something has got to be done to meet the present and pressing needs of the situation.

The correct solution of the present problem in California would be for the state government to give these men work upon the public highways, and pay them fair wages out of the \$18,000,000 state highway fund which the people voted some years ago. This so-called and alleged "Progressive" party has had the handling of that eighteen million dollar road fund now for nearly four years, time enough to have built a road from here to Denver, and it has not built enough road to keep an ordinary automobile busy two days. The road ought to be built before the whole \$18,000,000 is expended in clerk hire and for surveyors and dozens of other salary-grabbing gals who know no more about road-building than a Digger Indian. What in blazes was all that money voted by the people for, if not to build roads? And why in the name of Jehoshaphat are not the roads being built? There has been one gang of surveyors engaged for six months and more squinting a road out from Richmond to Martinez, a distance of twenty miles. At that rate they would get across the seven hundred miles of California in about a hundred years, or about the time Roosevelt, Hiram Johnson, Francis Heney and Chet. Rowell quit running for office. We don't know any more about surveying than about aeroplaning to Mars or the moon, but if we couldn't survey a road from here to Martinez in one month instead of six or seven we would eat it—eat it raw, and then quit the surveying business and go to stealing soapgrease on shares, or into some other business wherein we were in a measure qualified.

These unemployed men should be put to work upon the state roads, and be paid by the state a living wage, and if the money has been frittered away, as would seem, then vote some more. There may be and doubtless is some technicality in the way of such a procedure, but who the deuce

cares for technicalities? Push them aside and saw wood! Do something when an emergency arises! If you are "Progressive" in Heaven's name why don't you progress? Either progress or take down your sign and turn the government over to somebody who will! We move that you change your name from "Progressive" to "Incompetent."

Where there is a will there is a way. A donation of 25 cents apiece upon the part of the people of California would keep this "Army" at work on the roads for a number of years. Then why not issue a proclamation and ask for such a donation, or make it in the form of a tax? No one would object.

Governor Johnson has said that a man must eat. This was applied to himself, but he don't seem to apply it to anybody else. A man must eat, yes, and he must eat whether he is a prince or a pauper, a governor or a tramp.

Let the great sovereign state of California solve this problem, and solve it quick! Do something and quit chewing the rag! Shoot, you alleged "Progressives," or give up the gun!

SUFFRAGE A STATE QUESTION

The suffragettes were given a hearing by a Senate committee on their demand that the federal government bring about an amendment of the constitution permitting the right to vote to women, and foolishly threatened the existence of the Democratic party if this were not done. A woman has as much right to make a fool of herself as a man has, but that is no sign she ought to do it. In attempting to down the Democratic party because it believes the suffrage question should be settled by every sovereign state instead of by the federal government, these militant women are simply biting off more than they can chew. They cannot deliver the goods. In the debate in the Senate on the matter, Senator Bryan of Florida expressed about the right sentiment when he said that California, for instance, had no more right to say whether the negro women of Florida should vote than Florida had to say that the Japanese should vote in California.

The point is well taken. The state must settle this suffrage question as they each see fit. With the women all voting the negroes would absolutely dominate the whole south, and the south will never stand for that. Suffrage will never carry in the south in a hundred years. The white women there are as much against it as the white men. The suffrage matter is doing quite well, and is making good progress. The women should keep their temper, and not emulate the example of Mrs. Pankhurst, who has never accomplished anything yet and never will.

When they are given chance to work,
The young men of today
Inquire, "What hour is quitting time,
And how much does it pay?"

An inquisitive reader wants to know if we embrace woman's suffrage. Sure! Embrace anything that contains a woman!

Harry Thaw will get his \$160,000 next month and business activity in New Hampshire legal circles will be resumed.

A San Diego Mexican crept behind a balky mule and stabbed him to make him move. They both moved.

A Washington writer says Secretary Bryan is as fond of prunes as he is of grape juice. Judging by the Mexican situation this may be taken as true.

The Tennessee anti-liquor law has closed 800 saloons in Memphis, and today the largest organization in that town is the Sons of Burning Thirst.

The election commission of Milwaukee announces that candidates offering voters campaign cigars will be liable for bribery. Pahaw! A campaign cigar is not a bribe—it's an insult.

BANKER WANTS TO BE COUNTY TREASURER

MARTINEZ, March 10.—Tony Pavolini, assistant cashier of the First National Bank of this city and for several years deputy county recorder of this county, has entered the political arena and will be a candidate for the office of tax collector at the forthcoming election.

A rumor has been current for some time that Mr. Pavolini would be a candidate for this office, but not until this morning did he make definite announcement of his intentions. He is preparing for the campaign and will enlist the support of his friends for the office.

Mr. Pavolini is well known throughout the county. He was raised in this city and comes of a pioneer family. Through business associations and his experience in the office of county recorder he commands an extensive acquaintance throughout the county and will prove a strong candidate.

HEALTH OFFICER FILES HIS REPORT

Health Commissioner C. R. Blake, at the meeting of the city council last evening, filed his report with the board covering activities of his office for the month of February, as follows:

"Richmond, Cal., March 1, 1914.
"To the Honorable Mayor and City Council of the City of Richmond, Cal.

"Gentlemen:

"We have the honor to submit the following report of the department of health for the month of February, 1914:

Births reported, 20.

Births reported for the past month against nineteen for February, 1913, twenty-five for 1912 and seventeen for 1911.

Deaths reported, 15. Six resident deaths reported for the past month against seven for February, 1913, three in 1912, and five in 1911.

"We would like to recommend that the present ordinance requiring that the sanitary inspector be a registered plumber, be changed so that that officer does not have to be a plumber, as the officer has practically little or no plumbing to inspect at the present time, that work being all performed by the city architect, and the sanitary inspector's time on account of the rapid growth of this city, is required all the time for the inspection of complaints and nuisances affecting purely the sanitation of this city, we believe that a sanitary inspector should be what the name of his office implies, an inspector of sanitation, and do not understand why the officer should be required to be a registered plumber at the present time, where the city has grown to such a size that the sanitary inspector has nothing more to do with the plumbing of buildings erected in this city.

"We trust that this suggestion will be taken up by the council and given due consideration.

"Respectfully submitted,

"CHAS. R. BLAKE, M. D.,
"Health Commissioner."

MEXICAN POLICY IS ATTACKED

WASHINGTON, March 10.—The Mexican lid was lifted in the senate of the United States today by Senator Fall, Republican, of New Mexico, who urged armed intervention for the protection of Americans and other foreigners in the stricken republic.

The galleries were crowded to overflowing and remained so for hours, until Senator Shively of Indiana had spoken for the administration, expressing regret the subject had been discussed in open session, and averring no adequate suggestion had been offered to compose the difficulty.

Senator Fall, in a lengthy narration of incidents of outrages to Americans in Mexico, held the interest of the senate and gallery for more than three hours. Assailing the policy of the administration as inadequate, and declaring President Wilson knew nothing about real conditions and had been mistaken in every act of his administration toward Mexico, the New Mexican senator pleaded for intervention for protection in order to avoid inevitable war.

TWO LOCAL MEN WILL GO EAST

Larry Copeland and Courtland B. Stebbins will leave in a few days for their homes in the east. Copeland at the present time is connected with the Yonca Clothing store, while Stebbins is a popular employee of the First National Bank.

The young men have made a large number of friends while in this city who will be sorry to hear of their leaving.

TURN HAIR DARK WITH SAGE TEA

Grandma kept her locks dark, glossy and thick with a simple mixture of Sage Tea and Sulphur. The old-time mixture of Sage Tea and Sulphur for darkening the hair and Sulphur for darkening gray, streaked and faded hair is grandmother's treatment, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Hair Remedy" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive; besides, prevents dandruff, itching scalp and falling hair. VETERAN ENGINEER HAS PASSED AWAY

(Fresno Republican)
J. H. Adams, aged 52 years and the oldest engineer in point of service on the San Joaquin valley division of the Santa Fe line, died yesterday morning at 2 o'clock, in the Santa Fe hospital at Los Angeles following an illness of but two months' duration. While Adams' condition has been very serious it was not expected that his death would be so sudden and Mrs. Adams had only left her husband's bedside a few hours before he passed away. Adams had been a resident of Fresno for twelve years. His remains will pass through Fresno on Wednesday at midnight and Mrs. Adams and her children will board the train and accompany the remains to Santa Rosa, where funeral services will be held.

Adams had been in the employ of the Santa Fe line for the past sixteen years and came here from Stockton. He piloted the engine which carried the material into the valley for the construction of the San Joaquin valley railroad which was later taken over by the Santa Fe. About fifteen years ago Adams was given the cabin on the engine which pulls the mail train from Fresno to Corescan. The round trips are made daily. Adams continued on this run up to the time he was taken ill which was the last of January. Adams was considered one of the best engineers on the division and during his railroad career he always brought his train in on time and never figured in any accidents. Because he was forced to cover over seventy miles while another train made forty he became known all over the state and postal authorities gave him the distinction of driving the fastest mail train in the United States. Adams made this record run every day for fifteen years because he had to meet the other train in order to make mail connections. According to a rough estimate Adams had traveled 1,314,000 miles in his cabin or sufficient distance to girdle the globe fifty-four times.

Adams was taken to Los Angeles about a month ago and Mrs. Adams has been making weekly trips to see her husband. Sunday night she left the hospital at 7 o'clock and boarded the train for this city. When the train reached Bakersfield yesterday morning she received word of her husband's death.

Adams is survived by his wife and eight children. The children are: Hugh Adams, a ranchman near Sunnyside; Ward Adams and John Adams of Fresno; Boyd Adams of San Antonio, Texas; S. G. Adams of Imperial valley and Mrs. F. R. Faggett, Mrs. C. P. Hoffman and Miss Helen Adams of Alameda.

The deceased was a member of the Knights of Pythias and the Brotherhood of Locomotive Engineers.

W. H. Ford, agent for the Baldwin Piano company, with salesrooms in the Hotel Richmond, yesterday closed a deal whereby Mrs. George Olds purchased a new model player piano.

ENTERTAINMENT AT SANTA FE READING ROOM

There will be an entertainment at the Santa Fe reading room on Friday evening, March 13th, when Thomas Elmore Lucey, poet, actor and song humorist will give "A Night in a Poet's Workshop."

All Santa Fe employees and their families and friends are invited to attend this entertainment which will be a striking cartoon, a side-splitting laugh, a pathetic poem, a caparisoned story edged by wit.

Superintendent of Reading Rooms S. E. Bussler has the following to say in his foreword concerning Mr. Lucey:

"Simply the name is sufficient for the announcement. Every one in the middle west knows Lucey and has been fascinated with his marvelous work."

"Four different bureaus handle his business and it has been found impossible to fill his dates. The demand for his work is so great that he is obliged to take a month off for rest, and it is the good fortune of our employees that he thinks the best rest he can get is on the Santa Fe at the reading rooms."

Mr. Lucey is a master of many accomplishments. Singer, impersonator, Crayon Artist, Actor, Reader, Lecturer, he embodies a wonderful versatility and multiplies himself many times.

"Lucey's 'Missouri Mule' has captured the country. When that mule kicks there will drop a most valuable lesson into everyone's mind, and become a guiding principle for renewed effort and grander character."

"For a variety of entertainment, college glee clubs will be entirely outclassed by the rendition of Lucey. 'Don't miss the 'Missouri Mule' from charming St. Louis."

WONDERFUL DANCING AT OAKLAND ORPHEUM

Bessie Clayton's wonderful dancing and that of her 15 European artists who comprise her company of performers has completely captivated the crowds at the Oakland Orpheum this week. No such elaborate dancing spectacle has been staged at the big vaudeville temple for years. Bessie Clayton of course, enjoys world wide renown as a dancer and there is a great deal of curiosity on the part of everybody to have a glimpse of her wonderful art. In these days when society is almost crazy over artistic dancing, here is naturally unusual interest in the performance of so great a star as Bessie Clayton. The Argentine tango octette which accompanies Miss Clayton is one of the big drawing cards of her act. The whole spectacle is a gorgeous affair, full of color and beauty and ranking as one of the most artistic features ever sent over the circuit.

A brilliant farce called "After the Wedding" is the offering of Eva Taylor with her company of players. The fun is fast and furious while this farce has the stage. It is written in mighty clever style and played by some unusually smart people and the result of course, is keen pleasure for the audience.

Francis Dooley, a host in himself as a fun maker with little Corinne Sales is pleasing the multitude with his concoction of bright snappy chatter and songs.

Bliss, Bliss & Bliss, known as vagabonds in comedy and music have returned and are receiving a big welcome nightly.

Hans Robert is producing a "Daddy By Express" a playlet by Edgar Allen Woolf which is full of interest and some bright comedy bits which Mr. Robert and his people make the most of.

Alcide Capitaine known as "The Perfect Gymnast," Nina Barboor an unusual prima donna with a singular voice that is remarkable for its low register. Welcome and Welcome, the physical culture girl and the man on his hands, round out the show.

The management announces that Marie Lloyd will make her appearance at the Oakland Orpheum next Sunday.

Elks of County Are Guests of Richmond

Elks from all parts of the county invaded Richmond last evening and after being dined in excellent fashion at the Imperial hotel made their way to their new building where they extended greetings to District Deputy Grand Exalted Ruler T. J. Haskins.

During the business session held at an early hour in the evening the matter of joining Oakland lodge in chartering a special train for Denver to attend the annual convention was taken up.

April 25th is the date that has been set by the members of Richmond lodge B. P. O. Elks for the dedication of their new \$50,000 home. The annual Flag Day services will probably be held in the Hearst Creek theater this year on

the afternoon of April 6th. The visiting Bills were shown about the interior of the home by a committee composed of Messrs Bell, Biggs, Lang and Gordon, and were greatly pleased with the work done by the local lodge during the short time they have been organized.

Some of the visiting members who were the guests of honor last evening, were: Louis Bonasanti of Oakland, County Recorder M. H. Hurley, Deputy County Recorder Charles Bulger, Deputy Tax Collector James F. Hoey, Assistant District Attorney A. S. Ormsby, County Auditor A. N. Sullenger, County Assessor George Meese, Don Ray, manager of the Pacific Gas and Electric company, all of Martinez, Clarence Devereux and Henry Ivey of Concord.

SUPERVISORS CALL MEETING OF CONTRA COSTA SHIPPERS

MARTINEZ, March 11.—The big interests, corporate and individual, of the county who are affected by the impending suspension of terminal point advantages to the thirty stations in Contra Costa, are summoned to a meeting called by the supervisors for Monday, March 16, at 1:30 p. m., at the court house.

As was set forth in the daily press of last week issues the biggest traffic and rate war ever waged in this State has been precipitated by the cities of San Jose, Santa Clara and Marysville, which have filed with the Interstate Commerce Commission a complaint asking that terminal freight rates be withdrawn from 182 cities and towns of California including Los Angeles, Stockton and Sacramento. The only cities exempted are San Francisco, Oakland, San Diego and San Pedro.

Among the points affected are thirty in this county including Antioch, Avon, Bay Point, Crockett, Giant, Glen Fraser, Hercules, Luzon, Malibu, Martinez, Muir, Nichols, Nitro, Nobel, Oleum, Pacheco, Peyton, Pinole, Pittsburg, Port Costa, Prince, Rodeo, Rheem, San Pablo, Selby, Tormey, Vallejo Junction, Viktor and Vipe, Hill.

The threatened danger was first brought to the attention of Chairman J. H. Trythall of the supervisors by Sheriff R. R. Veale and Exposition Commissioner John Birmingham. Mr. Trythall communicated with his colleagues and County Clerk Wells was directed to sum-

mons a meeting it which action will be taken to avert the menace to the industrial, fruit growing and other big traffic dependent interests of Contra Costa.

Several hundred invitations are being sent out by County Clerk Wells urging attendance at the meeting by invitation of the board of supervisors.

Following is a letter being sent out to shippers throughout the county:

Dear Sir:

It has been called to the attention of the board of supervisors that the Interstate Commerce Commission is about to abolish all terminal points in the state of California outside of San Francisco, Oakland and San Diego, and we, the Board of Supervisors, of Contra Costa county, feeling that Contra Costa county will be more seriously injured than any other county in the state by this decision.

We hereby invite you to meet with us on Monday, March 16, 1914, at 1:30 o'clock p. m., at the office of the board of supervisors in the court house in the town of Martinez, to discuss this subject and for the purpose of arranging a satisfactory manner and intervening in the proceedings before said commission, so that Contra Costa county will not be so seriously affected by said change.

Yours very truly,
Board of Supervisors of
Contra Costa County,
By J. H. WELLS, Clerk.

MOTOR LAW IS BEING ENFORCED

SAN FRANCISCO, March 11.—The inability of the State Motor Vehicle Department to cope with the flood of applications for automobile licenses caused much annoyance to motorists in this city yesterday. The police held up hundreds of cars that were not properly tagged according to the new state law, and many of the drivers were ordered to appear at the police headquarters this morning. There was some little uncertainty in the minds of the patrolmen as to what measure to pursue in enforcing the law, as Chief of Police White issued no general orders to his men telling what action to take. This, however, will doubtless be corrected today when it is understood that the Chief will order that dealers' placards and the cards of the California State Automobile association and the San Francisco Motor club, bearing the words "License Applied For" will be recognized for a limited period.

In making arrests yesterday some of the police demanded that receipts be shown that the application for a license had been duly made. Many motorists failed to have them with them and were told to report to headquarters. Today, however, it is not likely that the receipts will be demanded, if the proper placards are displayed, but it might be just as well for the motorists to have them handy in case they are wanted.

The police officials recommend that in forwarding the amount due for a license that the motorists send it by postoffice order, having the postmaster endorse the receipt that the order was made out for the state treasurer. This receipt will

be looked upon as a temporary license in all parts of the state, while the "license applied for" placards are not good outside of the city and county limits.

THE DEED TO A HOUSE is a whole lot better than a bundle of receipts for the privilege of living in it. Let us show you how to convert those receipts into something of value. \$100.00 cash and \$25.00 per month will place you in possession of a 5-room house new and modern and in good location. \$500.00 cash, balance monthly payments, takes a 7-room house in desirable location, and may develop into business property. \$150.00 cash, balance, \$25.00 per month for 4-room house near the business section. \$300.00 cash, balance \$25.00 per month for 5-room house on 13th street, new and modern.

NEW ORDER OF ODDFELLOWS IS ORGANIZED HERE

Richmond lodge, Independent Order of Odd Fellows, Manchester Unit, was formally organized in Bank hall last evening by District Deputy Grand Master J. H. Alfonso.

The newly elected officers for the new lodge, who were seated in their respective chairs last evening were: Charles Stewart, noble grand; F. Richards, vice grand; Jack Holliday, financial secretary; R. F. Kennedy, elective secretary; Y. Bellafont, treasurer; F. Weber, lecturer master; J. Paroli, grand master and L. Barnes, warden.

FISHING LAW TEST HAS FAILED AGAIN

MARTINEZ, March 11.—Attorney and former Assemblyman J. R. Cronin slipped up again in his efforts to test the constitutionality of the recent fishing license act. He had H. A. Brady arrested on a charge of hat kind and immediately sued out a writ of habeas corpus, before Judge R. H. Latimer. It came up for hearing yesterday afternoon and the writ worked to the release of Brady all right but it was on account of a gash in the complaint which charged him with "fishing for profit without a license." That is all right provided he did not hook the prohibited species of fish. He might have been catching suckers for all the complaint disclosed. Cronin was chagrined for he has so far failed to get to the core of constitutionality.

NOTICE OF AWARD OF CONTRACT NO. 88

Pursuant to Statute and to Resolution of Award No. 188, of the City Council of the City of Richmond, directing this notice.

NOTICE is hereby given that said City Council, in open session on the 2nd day of March, 1914, publicly opened, examined and declared all sealed bids or proposals offered for the following work, to-wit:

That Main Avenue in the City of Richmond, from a line drawn from a point on the southerly line of Block One (1), Richmond Fifth Addition, which point is 12.01 feet easterly from the southwest corner of said Block One (1), to a point on the northerly line of Block Two (2), said Richmond Fifth Addition, which point is 13.57 feet easterly from the northwest corner of said Block Two (2), to the easterly line of Richmond Fifth Addition, be graded to its full width to the official lines and grades; paved with a bitulithic pavement consisting of a two (2) inch bitulithic wearing surface on a four (4) inch broken stone bituminous base; guttered, curbed and sidewalked with concrete. Including all intersections between said lines. That culverts of corrugated iron and concrete be constructed on the northerly curb line of Main Avenue across Nadeau Street, Dumont Street and Sobranie Avenue.

Excepting from the above work any portion required by law to be kept in order or repair by any person or corporation having railroad tracks thereon and also excepting any of the above work now in to the official line, grade and specifications.

Reference is hereby made to Patent License Agreement of Warren Brothers Company, dated May 7th, 1913, now on file in the office of the City Clerk of the City of Richmond.

All the above described work shall be done in accordance with the plans and specifications adopted by the Council of the City of Richmond for said work by its resolution duly passed at a regular meeting of said Council held on the 28th day of May, 1913, and numbered 188, now on file in the office of the City Clerk of the City of Richmond, reference thereto being especially made.

That said City Council, under the authority conferred upon it by the provisions of that certain act of the Legislature of the State of California approved April 7, 1911, and known as the "Improvement Act of 1911," determines and declares that serial bonds be issued to represent the cost of said proposed improvements; said bonds shall be serial, extending over a period of five (5) years from the second day of January next succeeding their date, and shall be issued to represent assessments of twenty-five dollars (\$25.00) or more remaining unpaid for thirty (30) days after the date of the warrant issued to the contractor, or five (5) days after the decision of said Council upon an appeal; an even annual proportion of the principal sum of each bond shall be payable by coupon on the second day of January of each year after its date until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year at the rate of seven (7) per cent per annum on all sums unpaid until the whole of said principal and interest is paid; and said bonds shall be issued in accordance with the provisions of said "Improvement Act of 1911."

And thereafter, on the 9th day of March, 1914, by Resolution of Award No. 188, awarded the contract for said work to the lowest responsible bidder, to-wit: To Municipal Improvement Company, at the prices named for said work in its proposal on file namely:

For Street Work

NOTICE OF IMPROVEMENT INVITING PROPOSALS THEREFOR

Pursuant to Statute and to Resolution Ordering Work No. 222, of the Council of the City of Richmond, adopted March 9th, 1914, directing this notice, NOTICE IS HEREBY GIVEN that for the following described Street Work, ordered by said Council, and to be done according to the specifications No. 222, posted, and on file in my office, and therefor adopted by said Council on the 9th day of February, 1914, by Resolution adopting Plans, etc., No. 222, to which reference for particulars is hereby made, namely:

That a six (6) inch pipe sewer be constructed along the center line of Contra Costa Street to the center line of Vacca Street.

That a manhole of brick, with cast iron rim and cover, be constructed at the intersection of the center line of Contra Costa Street and the center line of Vacca Street.

That a lamp hole of vitrified ironstone sewer pipe, with cast iron cover, be constructed at the intersection of the center line of Contra Costa Street and the center line of Vacca Street.

That wye branches be constructed, one for every twenty-five (25) feet or fraction thereof, taken block by block of property fronting on said sewer.

Six (6) inch pipe sewer to be of salt glazed, vitrified ironstone sewer pipe.

Wye branches to be of vitrified, salt glazed, ironstone sewer pipe. All of said work and improvement to be done in accordance with Special Plans and Specifications No. 222, adopted therefor, and now on file in the office of the City Clerk, reference thereto being hereby especially made.

And the Council does hereby determine and declare that the public interest and convenience requires that said work and improvement should be done, and that said proposed work and improvement is of more than local and ordinary public benefit, and will affect and benefit the lands and district hereinafter described, which said district is hereby declared and established to be the district benefited by said work and improvement, and that the costs, charges and expenses of the construction of the said lateral sewer, including appurtenances and incidental expenses shall be and are hereby made chargeable against, and shall be assessed upon such land and district all of which district is within the City of Richmond, County of Contra Costa, State of California, and more particularly bounded and described as follows, to-wit:

Beginning at the northeasterly corner of Lot One (1), Block Twenty-five (25), as said lot and block are delineated and so designed on that certain map entitled "Map of Third Addition to Town of Richmond" and filed in the office of the County Recorder of Contra Costa County, California, on June 17, 1901; thence southwesterly to the southeasterly corner of said Lot One (1); thence northwesterly to the southeasterly corner of Lot Five (5); said Block Twenty-five (25) and continuing on an extension of the last described line to the easterly line of Block Forty-three (43), as shown on the Map of the Fourth Addition to the Town of Richmond, filed in the office of the County Recorder of Contra Costa County, California, on December 13, 1901; thence northeasterly to the southeasterly corner of Block Forty-two (42) said Fourth Addition to the Town of Richmond; thence easterly to the southeasterly corner of Lot Fifteen (15); Block Twenty-two (22), said Third Addition to the Town of Richmond; thence northeasterly to the most northerly corner of said Lot Fifteen (15); thence southeasterly to the northeasterly corner of said Lot Fifteen (15); thence northeasterly to the northwesterly corner of Lot Fourteen (14); said Block Twenty-two (22); thence southeasterly to the northeasterly corner of Lot Ten (10); said Block Twenty-two (22); thence southeasterly to the southeasterly corner of said Lot Ten (10) and continuing on an extension of the last described line to the northeasterly line of Block Twenty-three (23), said Third Addition to the Town of Richmond; thence northwesterly to the northeasterly corner of Lot One (1), Block Twenty-five (25), aforesaid, and point of beginning.

Being all in the City of Richmond, County of Contra Costa, State of California. Saving, excluding and excepting from said district all public streets, avenues, lanes, alleys, crossings and places therein included and contained.

That said work and improvement shall be done under that certain act of the Legislature of the State of California, entitled "Improvement Act of 1911", approved April 7, 1911, and all acts amendatory thereto.

Sealed proposals are hereby invited to be filed in the office of the undersigned, City Clerk of said City, on or before 8 o'clock p. m. Monday, March 23, 1914.

Bidders must file with each proposal a check, certified by a responsible bank, payable to the order of the City of Richmond, for an amount which shall not be less than ten per cent of the aggregate of said proposal, or a bond for said amount, payable as aforesaid, signed by the bidder and by two sureties, who shall justify, before an officer authorized to administer an oath, in double the said amount, over and above all statutory exemptions. Bids received as above will be opened at 8:30 p. m. of said last named day.

DOUBLY PROVEN

Richmond Readers Can No Longer Doubt the Evidence.

This Richmond citizen testified long ago.

Told of quick relief—of undoubted benefit.

The facts are now confirmed.

Such testimony is complete—the evidence conclusive.

It forms convincing proof of merit.

Mrs. James Wright, 1119 Roosevelt avenue, Richmond, Cal., says:

"I was troubled all the time with weakness and pains in the tips and joints. I was almost laid up. I got up in the morning feeling so tired, lame and worn out, that it was all I could do to start my housework. My kidneys were weak and if I caught cold, it always made me feel worse. I tried everything I heard of, but didn't seem able to get relief until I began taking Doan's Kidney Pills. I soon felt like a different woman. After I had used four boxes, all the ailments had gone and my health was fine."

No Trouble Since.

On April 21, 1913, Mrs. Wright was interviewed and said: "I haven't had a sign of kidney complaint since Doan's Kidney Pills cured me some years ago. You may continue using the endorsement I have given them before."

Fair Luna Will Be Hidden By Shadow

WASHINGTON, March 11.—There will be an eclipse of the moon, almost total, tonight, visible from all points in western Europe, North and South America and western Africa.

Astronomers at the naval observatory here prepared tonight to take advantage of the opportunity for observations during the eclipse, for while the moon is darkened unusually accurate work may be accomplished. It was pointed out that fainter stars that are normally observed for purposes of occultation observations are more easily seen during an eclipse and that they are of great importance in correcting the lunar tables.

As yet, astronomers have found it impossible to compute from their tables which agree exactly with the positions observed in the sky.

The shadow of the earth will not entirely cover the moon, but at the middle of the eclipse more than nine-tenths of the moon's diameter will be in the shadow.

The moon is due to enter the shadow, according to precise reckoning, at 9:41 8-10 o'clock today, eastern standard time, should reach the middle of the eclipse at 11:12 9-10 o'clock and leave the shadow at 12:44 a. m. Thursday.

FOREIGN GOODS NOT FLOODING THIS COUNTRY

HARTFORD, (Conn.) March 11.—William C. Redfield, secretary of commerce, addressing the state business men's association of Connecticut today, asked with a smile what had become of the threatened flooding of American markets with foreign-made goods attracted by the new tariff schedules.

"All men are witnesses the flooding of our markets with the products of the so-called pauper labor of Europe has not occurred," he said. "Nay, the total imports for the entire period since the tariff came into effect are actually less than they were for a like period a year ago. What has become of the

millions upon millions in value of goods waiting to be unloaded upon us, whereby the power to purchase more cheaply was to bring disaster and distress upon American industries?"

"Instead, as editors and speakers look back over the cold, hard facts of our foreign trade, their remarks about the flooding of our markets must come to their thought as those things one would rather not have said."

"Meanwhile the current has run strongly the other way, and particularly is this true in the shape of fully finished materials, our foreign trade in which continues to grow despite the normal fluctuations from month to month in the total export business. Those, if there were any, who felt the flooding had come when December imports rose to the largest ever known, namely, \$184,500,000 must have experienced a rude shock when the imports for January fell off over \$30,000,000, so as even to be less by almost \$9,000,000 than the month of January, 1913."

LEAGUERS HAVE A CANDY PULL AT MOORE HOME

The Intermediate Class of Epworth league of the Wesley Methodist church enjoyed a candy pull at the home of Mrs. T. H. Morse on Fifth street last evening.

Those present at the party were Mortimer Walker, John Taylor, Harold Smith, Clarence Cane, Stella Shoemaker, Jennie Vea Moore, Roland Vandergraft, Geraldine Ford, Thelma Milnes, Florence Moore, Nina Moody, Hugh Selvy, Gegena Dahl, Ruth Long, Eva Halles, Minnie Jones, Edna Inman, Myrtle Conn, Edith Selvy, Aneta Ferguson, Vera Lautenschlager, Rose Little and Mr. and Mrs. L. D. Moore and son.

UNEMPLOYED ARMY TO BE RETURNED TO CONTRA COSTA

(Continued from Page 1)

which surrounded this mysterious meeting of those attempting to handle the problem of the workless forces. If this offer is refused, the men will be allowed to depart in groups of four or five either through Sacramento or Yolo counties.

From the sentiment which was exhibited at the conference of the unemployed yesterday evening when this proposition was made to them unofficially by the Yolo county supervisors, it may be accepted if Kelley and the other bailed leaders are released. If they are held in jail, the army will do its best to remain here until the men are freed.

The workless were promised unofficially if the entire body would leave Kelley would join them. On the other hand District Attorney Wachhorst declares that he has no intention of doing aught with Kelley except to send him to jail for as long a term as possible. A second conference of the unemployed will be held this morning at 8 o'clock to determine whether the offer of transportation to Bay Point, 17 miles east of Benicia, will be accepted.

Only one fact is certain. The Southern Pacific company will not handle the army of unemployed. The company's heads in San Francisco have given orders that no special train be placed at the disposal of the army, and that no tickets for transportation to any point to be sold in large lots to convey the army or any portion of it.

Although it could not be ascertained last night what position was taken by the Oakland and Antioch on transporting these men to Bay Point, by clever cross-examination it was discovered the company had refused to carry them to Oakland. The heads of the corporation were asked by Assistant District Attorney Atkinson as to its position on carrying the men to Bay Point, but what reply was given is not known.

If this proposition is not accepted by the unemployed, or if the Oakland and Antioch refuses to permit the unemployed to be transported over its lines, the army will be allowed to disperse in groups of four and five wherever they desire to go. By this action Sacramento county recedes from its high-handed position held earlier in the day.

Should the unemployed refuse to accept either of these alternatives, it is possible Yolo county will gather a force of deputies and endeavor to force the workless of Sacramento county. This move was considered at one time, but under the harmonious situation which now prevails, such action is unlikely.

Those present at the midnight meeting included District Attorney Wachhorst and Assistant District Attorney Atkinson, Supervisors M. H. Stitt and W. J. Lionberger, Attorney E. W. Armfield of Yolo county, Harry Thorp, H. Nelson French, and A. D. Schindler of the Northern Electric.

The first step in support of the plan of forcing them back on Sacramento county was taken yesterday. Judge Shields in the superior court was asked for an injunction to prevent the closing of the Sacramento end of the bridge by the deputy sheriffs, but this was denied. The next move may be made a writ from a Yolo county court, but as the offense, admitting there was an offense, was committed in Sacramento county, such a writ could be without force. Such is the view held here.

A Wonderful Showing At Popular Store

A Record-Herald reporter, making the rounds of the city yesterday, dropped into the store of Jones & Adkison and a number of employees were busy unpacking and arranging on convenient racks, a new shipment of the latest spring dresses. In conversation with the reporter, Mr. Walker, manager of the store, remarked:

"This is by far the largest shipment of dresses we have received so far this season, and we needed them, too. Our business in suits and dresses has gone far beyond our most sanguine expectations. On that rack just back of you, are all there is left of our earlier shipments, so these came just in the nick of time. There's nothing like snappy garments and moderate prices to stimulate trade. There isn't a garment in this entire lot that you can buy at as low price in San Francisco or Oakland—no sir, not one. Just look at these beauties. Look here, did you ever see anything like this before for \$3.95, or this at \$7.50 or this at \$12.50? Here's one for \$25.00. Isn't it most beautiful?"

And it was, and so were all the others shown the reporter by Mr. Walker, whose enthusiasm fairly bubbled over as he laid in front of the scribe dresses of every conceivable coloring and many beautiful materials. Indeed, the assortment is of such wide range in every respect—colorings, materials and prices that it would seem the taste of the most fastidious could be satisfied.

The fashions are exceedingly interesting and show the influence of styles used in grandmother's girlhood days. Such features as bouffant draperies, pinnies, self-ruffles and ruchings and suggestion of bustles are much in evidence. Among materials in this wonderful assortment are soft chiffon, taffetas, pean de chimes, printed silks, crepe poplins, crepe de chimes, and novelty, soft, subtle wool mixtures. As interesting, too, are the beautiful new shades that are shown in large variety and the attractively low prices at which the dresses will be sold. Mr. Walker stated that the price range of the garments was from \$3.95 to \$25.00, with almost any desired price between.

HIGH SCHOOL NOTES

By Earl McCann

The girls' basketball team will endeavor to wrest the laurels from the fast girls' five of Miss Ransome's school, of Piedmont, tomorrow afternoon, on the local school courts. The Richmond team is composed of some of the best girl players in the county among whom are Anita Kurger and Mary Mount, forwards; Vera Lautenschlager, and Thelma Milnes, centers; Evelyn Robertson and Jennie Moore, guards; substitutes, Ruth Adair and Louise Fanning.

Tomorrow morning Miss Eileen Murphy will entertain the students with a delightful musical recital to be held in the large assembly room. The recital is open to the public.

The track squad under the direction of Coach Rinnick, is making rapid strides toward getting into condition for the coming dual meet which is to be held with the River-view high school of Antioch on the 21st of March.

Arrangements were completed this afternoon by Athletic Manager Brown for holding an inter-class baseball game on Saturday afternoon at the East Shore park grounds. The freshmen and sophomores will line up against the juniors and seniors.

FOR SALE—Good business on Macdonald avenue. Will exchange for lots. Part cash. Address Box B, Record-Herald office. Mar 11-01*
